## Health care fraud wastes billions of Medicare dollars each year. Don't become a victim!

- **NEVER** give your Medicare number to anyone who is not your medical provider or an approved Medicare supplier.
- **BEWARE** of telephone scams and sales that offer "free" medical supplies.
- **REMEMBER** that Medicare-covered equipment needs your doctor's prescription and must be approved by Medicare.

The Senior Medicare Patrol Program is provided by ServiceLink Aging & Disability Resource Centers throughout NH. Call for information on how you can prevent health care fraud.
